

## TRADE CUSTOMER TRAINING

### LEARN TO RESELL AND INSTALL THE MAGNA TURNSTILE

Could you benefit from training your staff to resell and install our Magna Turnstile? Investing in your staff's skills could be the answer to recovering from 2020. We provide training to our trade customers to resell and install our popular Magna turnstile which in turn can help to increase sales.

#### RESELL

Learn the best ways to sell our Magna turnstiles including keywords to use and specifications.

#### INSTALLATION

This side of our training runs through the theory and practical side of installing our Magna turnstile, including installing access control.

#### TRAINING ROOMS

We've set up our training rooms to teach both reselling and installation skills in one location.

## Get in touch!

Our experienced team are ready to share their expert knowledge with you to increase your sales and improve the quality of your installation service.
